Garforth After School Programme

Welcome to GASP!

GASP! comprises extra-curricular activities delivered by academy departments, particularly the PE Department and Performing Arts Department.

GASP! Is Garforth Academy's integrated after school programme. It has been developed in response to parents who asked to be able to find all our after school activities in one place.

The majority of activities are free, but for some there is a charge which we have kept to a minimum, to cover specialist staff and resources.

The following pages list the daily activities for April – July 2017. They are colour coded as follows:

-  Blue – Free sessions delivered by the PE department
-  Red – Free sessions delivered by other departments
-  Charge for specialist staff and / or resources and are 'per term'.

Other activities will be added throughout the year so please keep checking the website.
