

How to Access Teams

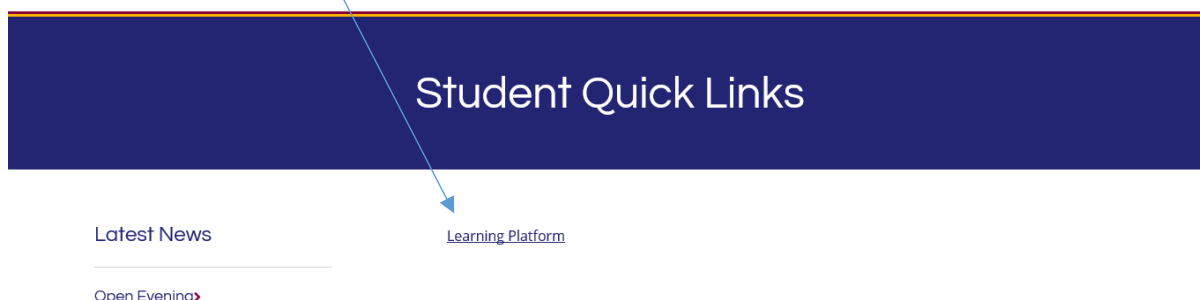

Go to:

www.garforthacademy.org.uk

Scroll to the bottom of the page and click on student quick links

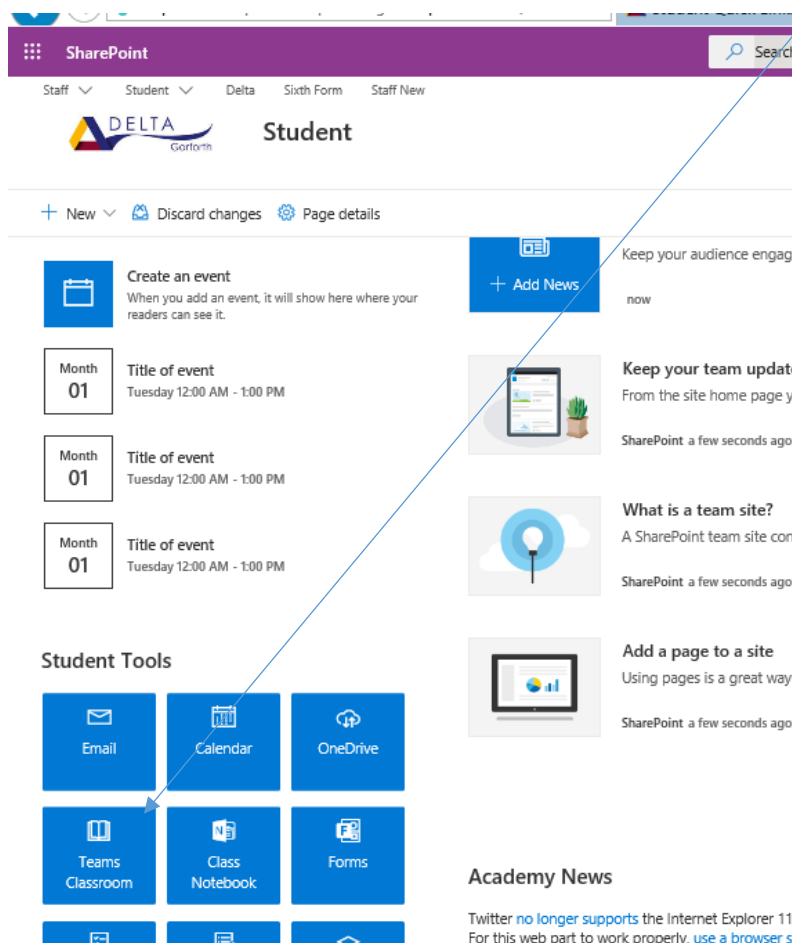

Then click Learning Platform

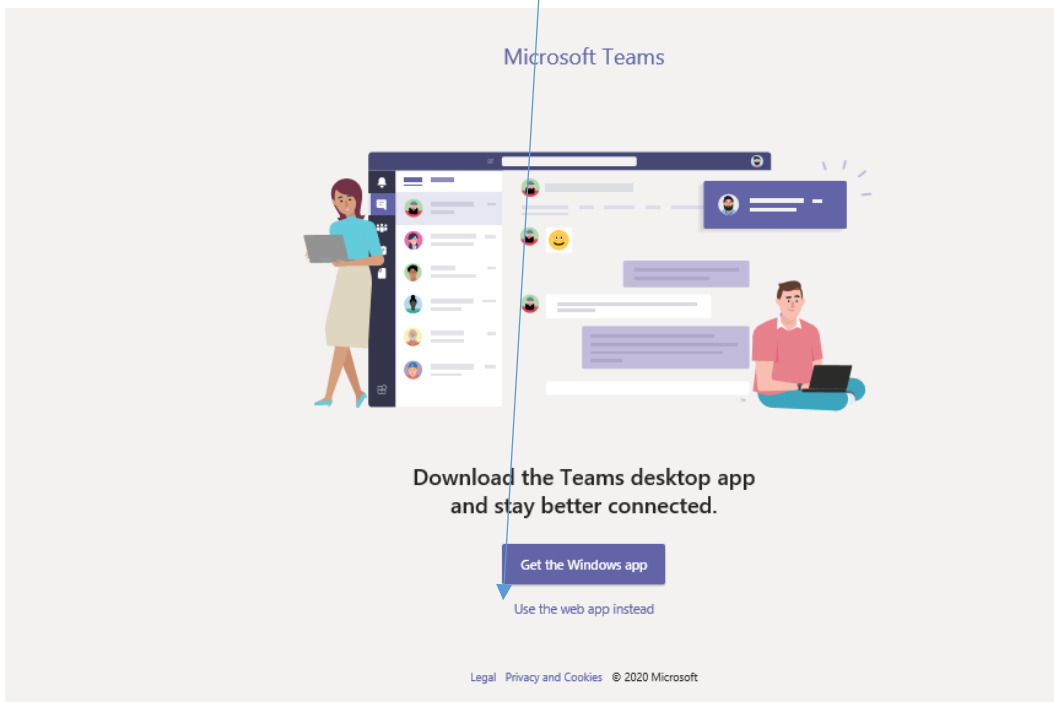

It will then sign in with your academy email address and password

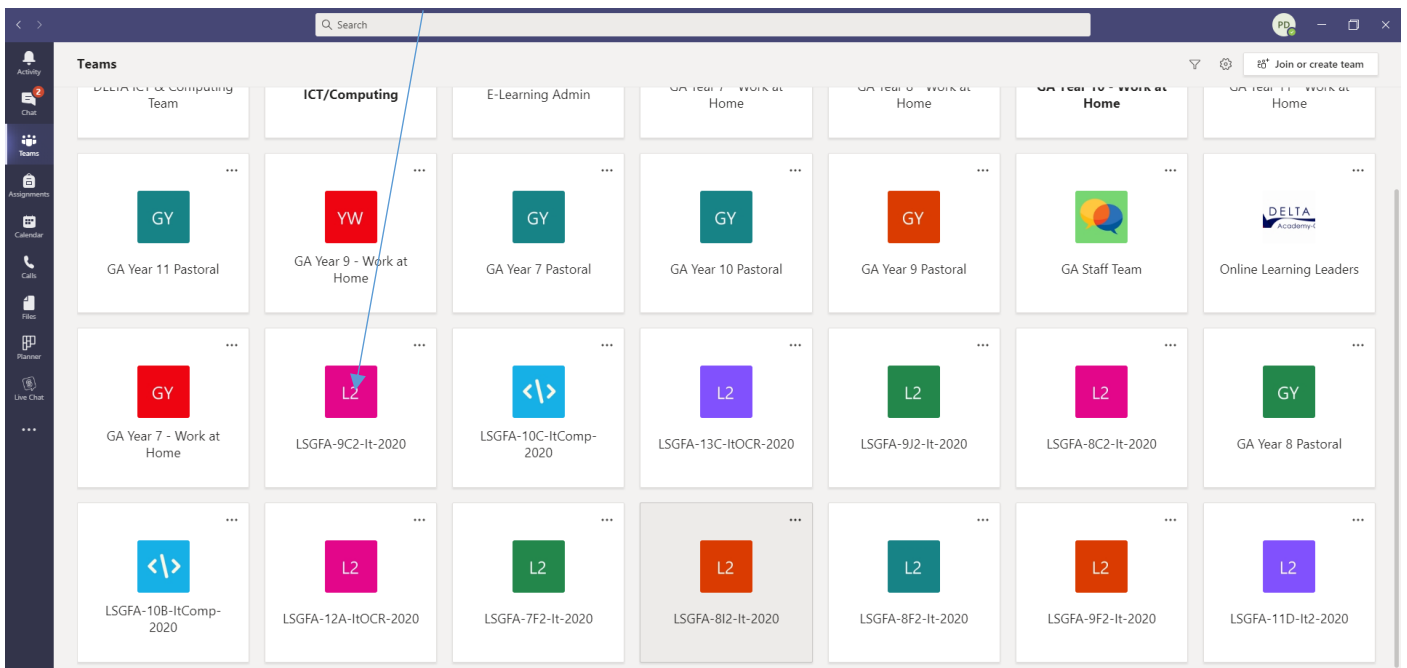

Once on the learning platform scroll down and click on Teams Classroom

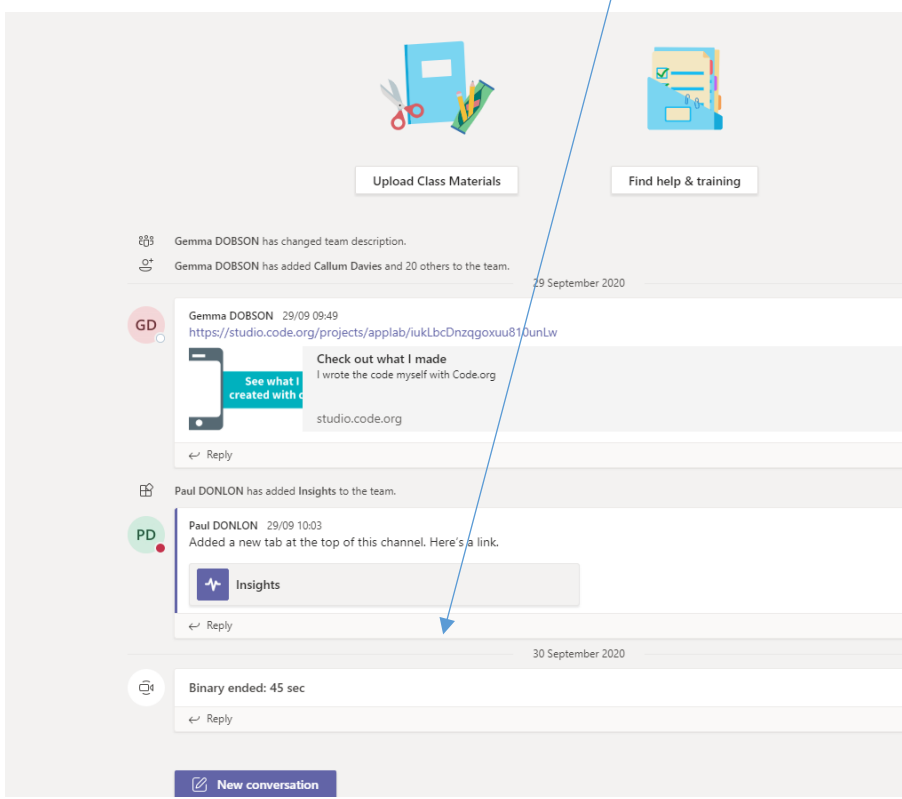

You can then use the web app or download the desktop version to access Teams

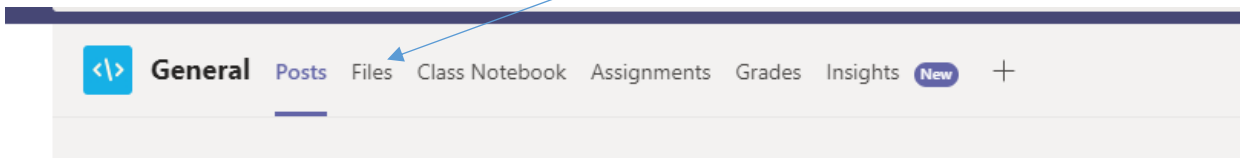

Once on Teams click on your lesson

Your teacher might post some instructions in the channel

Otherwise lesson resources will be available in Files

Followed by Class Materials
